FEDS LOSE HOBLITZELL.

First Baseman Signs With Red Sox for \$7,000 a Year.

ROSTON, Mass., October 3.-President afternoon that he had signed up Dick Hoblitzell, the only member of the team that was considered a hold-out, for two years.

Hoblitzell, it was reported, had agreed to go with the Feds. He has played great ball since he joined the Red Sox a couple of months ago and many believed that if he had been with the Red Sox since the first of the sea-son Lannin's club would have beat-en out the Athletics. He has had a big success in the American League, bat-ting well over .300 since he joined the club. He is a big favorite here. His salary is said to be \$7,000 a year.

BIG LATONIA IN NEW BERTH. Auxiliary Schooner Now Anchored Defeats Richmond College in Looseat Foot of N Street.

The auxiliary power schooner yacht Latonia, belonging to A. O. Portner, the largest vessel of her kind in local Virginia Military Institute defeated waters, has been shifted from an anchorage in the lower end of the harbor to a berth at the wharf foot of N street southwest. This will be the permanent southwest. This will be the permanent quarters of the Latonia while at this city. It is understood she will be kept in commiss.on for several weeks, and will make frequent trips down river with owner and his friends aboard.

R. L. Galt's handsome steam yacht Courier will also be kept in commission until the coming of ice-making weather, and is berthed at the K street wharf. She will be used, until the coming of laying-up time, for runs down river. Mr. Galt will not make a trip south aboard her this winter as was reported. The power yacht Dacota, belonging to Mr. Galt, which was left at New York when the Courier was purchased, will remain at New York for the winter.

The steam yacht Cleolia, belonging to G. W. Forsberg, will not be placed out of commission until the latter part of November, unless unusually cold weather comes before that time.

The yacht Gaivota, belonging to John R. Dos Passos of New York, is still at an Alexandria shipyard. She was fitted there with a new propeller shaft, but will be brought to this city in a few days. The Gaivota will be kept in commission throughout the winter.

Substitutions: V. M. I.—Nelms for Holderby, Arms for Murphy, Bucher for Speed, Gray for southwest. This will be the permanent quarters of the Latonia while at this city. It is understood she will be kept

Now is the time to form apple clubs, according to the weekly news letter of the Department of Agriculture. Organisations for the young people on the farm are being planned and begun in the New England states, New York, New Jersey, Delaware, Pennsylvania, Michigan, Ohio, Idaho, Montana, Oregon and Washington.

The new clubs will be organized on the same lines as are those for the encouragement of patting corn and elfaite grown.

The new clubs will be organized on the same lines as are those for the encouragement of potato, corn and alfalfa growing, gardening and canning, and poultry raising. Members must be between ten and eighteen years old. Each of the club members will be allotted not less than ten apple trees, six or more years old, in the same orchard (and all in one row or block if possible), of which he will have the exclusive care for one year. Each club must have at least five members, and these will be under the instruction of a local leader, who will receive instructions from the state leader in charge or the county agent.

A Limousine of European Lines at an American Price

To enjoy the fullest luxury in an enclosed car it is no longer necessary to buy an expensive, speciallymade body or to purchase a \$5000 or \$6000 car.

Many of those who appreciate the advantages of an enclosed car have learned, in increasing numbers each season, that in the Chalmers they can secure all the essential comfort, elegance, and luxury of the costly European limousine at a moderate American price.

Beauty and Elegance

For 1915 the Chalmers Limousine offers even greater value than ever before. Its beauty of lines, its elegance of finish, its correctness of design and equipment appeal to all women of taste. The mechanical perfection of its well-tried Chalmers chassis and its remarkable value at the price make an equally strong

Style and Protection

The rounded-back, French-type aluminum body gives, we believe, the smartest style, the greatest roominess, and the most complete protection ever offered in enclosed cars. It is sound-proof-for the one-piece arched aluminum roof is free from the vibration or drumming common to so many enclosed cars. Weather and draft proof-for the flush doors and metal bound windows fit to a nicety.

Upholstery is of the best imported cloths—blue German Wolfing cloth or English Bedford cord as you choose. Carpets, floor cushions and interior trimmings are made to match. Appointments include

electric dome and shoulder lights, concealed running board lights, pockets, arm rests, disappearing seats, speaking tube, imported toilet case and specially designed safety. storm-vision windshield.

Mechanically Dependable

The mechanical parts of the car are so perfect and so dependable that you need never think of them. Silent. smooth-running, unobtrusive, the mechanism of the car assures you of uninterrupted service.

Fully to appreciate this Limousine you must see it. We shall be glad to show it at our salesrooms or to arrange for a demonstration at your convenience. Please call or telephone.
